

STORE, ORGANISE AND SHARE INFORMATION ON A BUILDING-BY-BUILDING BASIS

Information on the built environment is often **sparsely located, out of date** and **inaccurate**. It can also be lost as buildings change hands.

Unfortunately, the **emergency services** usually have access to even **less information**.

Subsequently, **prevention** of and **response** to emergencies is **less well informed**.

BUILDING PASSPORT HELPS BUILDING OWNERS AND THEIR REPRESENTATIVES **KEEP BUILDING INFORMATION UP-TO-DATE** WHILST MAKING IT **ACCESSIBLE FOR EMERGENCY SERVICES**

SELLING YOUR PROPERTY?

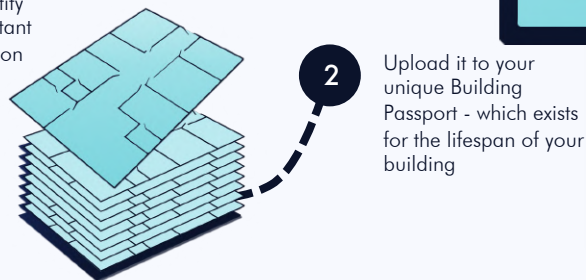

A Building Passport doubles as a live 'deal room' for **organising** and **sharing** your building information prior to a sale, removing the need for your solicitor to spend weeks collating it and therefore **saving you time and money**.

WORRIED ABOUT CHANGING LEGISLATION?

There are **imminent changes to legislation**, putting more focus on the 'Golden Thread' of building information and enforcement of data collection.

Building Passport is focussed on helping you keep on top of:

- FIRE SAFETY BILL
- BUILDING SAFETY BILL
- BUILDING SAFETY REGULATOR
- REGULATION 38
- BS8644 : 2021

LET'S CREATE A SAFER BUILT ENVIRONMENT
