Plumis's warranty for this installation applies to Plumis equipment only, and not the installer's services or any third party equipment. Plumis has reviewed the installer's documentation for this installation and any observations in respect of the Automist Installation are noted on this form. Plumis's review is limited to the Automist Installation itself and does not cover other important issues such as early warning detection, the use of fire doors, or the overall fire safety of a property.
